9:00 a.m. - 12:00 p.m.**The Board's Role in Executive Compensation**
(Level CE)Facilitated by **Lorri Lochrie** \$295

Enhance your understanding of developing and administering effective executive compensation programs for the CEO and other top executives.

Through case studies and discussion, this course will provide an overview of executive compensation practices and current issues, and provide participants with the ability to oversee executive compensation processes.

Continuing Development course of the CUDA Program.

9:00 a.m. - 12:00 p.m.**Directing Through Change** (Level CE)Facilitated by **Alisdair Smith** \$295

It has been said that the only constant in our personal and professional lives is change. Change will always be here, increase in frequency and, at times, intensify. Experts have referred to profound changes in the workplace as 'work quakes'— which can have the same dramatic effect on people and organizations as nature's geological equivalent.

Learn about skills and tools needed to thrive through change.

Continuing Development course of the CUDA Program.

1:00 p.m. - 4:00 p.m.**Productive Meetings** (Level CE)Facilitated by **Alisdair Smith** \$295

Are you interested in the processes and responsibilities that lie behind effective meetings? Learn how to prepare for an effective meeting; structure and evaluate a meeting; encourage and manage participation.

Continuing Development course of the CUDA Program.
